We are delighted to continue to offer our successful and popular EYFS Leader Forums for 2021-22. These offer a unique opportunity for Early Years Leaders and teachers to network and share effective practice.

These are a series of 3 forums, one in the Autumn term, one in the Spring term and a final one in the Summer term. Facilitated by Liz Laws, Head of Pickhurst Infant Academy, Early Years Specialist Leader of Education and National Leader of Education.

Each forum will give EYFS Leaders and teachers the opportunity to:

Receive the latest national updates and recent research regarding EYFS

Share subject knowledge and effective practice regarding teaching and learning in EYFS

Explore specific areas of EYFS practice each term such as curriculum, assessment and transition

This is also an opportunity for leaders and teacher to network and share practice with one another
