- ✓ Focused on enhancing SEN Support level provision, responsive to local and national developments and priorities
- ✓ Sessions highlight effective and innovative practice for pupils with higher incidence needs, including speech and language needs, autism, specific learning difficulties and social, emotional and mental health needs
- ✓ Workshops are interactive, featuring inspiring school-led items and activities
- ✓ Network and problem solve with Bromley SENCO colleagues
- ✓ Meet local area SEND professionals throughout the day
- ✓ Improve provision and outcomes for pupils accessing SEN Support
